RAMORNIE CALCUTTA/GRAFTON CUP CALL OF THE CARD

One of the most popular events of the Carnival takes place on Tuesday evening, 11th July when the Grafton District Services Club (GDSC) hosts the Black Toyota Ramornie Handicap Calcutta, plus the XXXX Gold Grafton Cup Call of the Card.

Hosted by leading racing identity Chris Scholtz, the evening commences at 7pm.

The Call of the Card, conducted on the XXXX Gold Grafton Cup, sees three (3) leading bookmakers offering generous prices on each individual horse running in the Cup. It is an ideal opportunity to back your horse at a price better than what may be offered in the betting ring come Cup day.

The bookies on the night usually set a market not too far above 100% which means great value for punters.

With an opening pool size averaging around \$9,000, bidding for the horses in the Black Toyota Ramornie Calcutta is very competitive and can provide a handsome return if you are lucky enough to have a ticket drawn against one of the favourites.

To enter the Black Toyota Ramornie Hcp Calcutta, tickets can be purchased as late as the evening of the event at the GDSC.
